Madrid, June 12, N. S.

**T**HE last Advices from Cadiz bring an Account, that there lately happened a Difference between some Soldiers of a Regiment of Marines and others of an Irish Regiment of Foot quartered there, in which almost all the Men of each Regiment took part, and went out into the Field to put an End to the Dispute by Arms; after an Action which lasted half an Hour, there were found killed upon the Spot about 60 Men; since which strict Orders have been given for making a severe Example of the chief Mutineers. Don Francisco de Piscina Commissary General of the Crusade, being in a very advanced Age, has lately obtained Leave of his Majesty to quit his Employment worth 16000 Crowns a Year; and having the Power of Substituting any Person in his Stead, he has thereupon nominated the Inquisitor General, allowing him Part of his Salary. But the Abbot Grimaldo, Brother of the Marquess of that Name, having the Reversion of the said Employment, (which depends upon the Approbation of the Pope) opposes the said Nomination, and desires to have this Affair decided at Rome. The Marshal de Tessé arrived here last Night from Aranjuez; as did also the Marquess de Monteleon. Preparations are making at the Buen-Retiro for the Reception of their Catholick Majesties and the whole Court, who are expected here from Aranjuez To-morrow in the Evening.
